Remarks:

Bill:

Attached are two copies of the transcript made from the tape recording of the Director's State of the Agency address on 30 June 1972.

I have tentatively marked it Secret but would appreciate your confirmation of this classification. Also, later we will need to know what dissemination of the talk is desired.

[redacted] is aware that the transcript is completed and has indicated a willingness to edit it.

Remarks:

Ben:

This is the suggested "A" distribution for the Director's State of the Agency Address.

Last year two copies were sent to each operating component (a total distribution of about 120 copies). This year we would prefer to use the standardized "A" pattern so that a more proportional distribution is achieved according to component size.

I would appreciate approval of this proposal by 24 July 1972.
